visiting with customers, answering questions and understanding
what they're looking for in a firearm. Our style of consulting
customers helps us serve people more effectively, so you find
the firearm that is right for you. Bill's also believes in
giving back to the communities in which we work. We believe in
our communities and work to make them stronger. We don't do it
because it's good for business. We do it because it's the
right thing to do. After all, we live here,
