The Bills USPSA Outlaw League is a great way to improve your shooting skills and keep them up over the cold months. Structured as a USPSA league all USPSA rules apply as well as firearm categories.

The shooter will be engaging targets from 15ft to 60ft some while moving, some stationary and may include simulated steal as well as reactive targets.

Each match consists of between 3 to 5 stages with a round count from 100 to 150 per match.

– A minimum of 4 holsters is recommended, but don't worry. Most days there are other shooters with the same gun who will lend you a mag.

– Any center fire pistol caliber is allowed but 9mm is the most common caliber.

If you are a PCC shooter, (Pistol Caliber Carbine) this can also be used, and if you wish to use both PCC and pistol, that is allowed but the shooter will be required to pay a second league fee.
