You can always give our shops a call to see if a specific firearm is available." blq_space="30"]Bill's has hundreds of rental firearms from all the most popular brands. The first rental each day starts at \$15, with each additional costing \$10. Check the location you plan on visiting to see if they have the firearm you are looking for. **In order to rent our firearms, be in a group of 2 or more, have a permit or have one or more of your own firearms with you.**[/tt_gm_info_block_shortcode]
